Brackets, agendas, roster forms and more will be available online at www.nwusssa.com by Wednesday.

If your reading this don't tell anyone. Tell your son or a player to go get a free west coast nationals wrist band while supplies last.

Don't forget to get familiar with the rules for USSSA Baseball at: www.nwusssa.com Select rules on the left menu

Section 8 is what you should print off and keep with you.

NOTE: We **will not** follow the 8 run rule after 4 for 10u, 11u, 12u; rather we will apply a ten run rule after 4.

Tie breakers for seeding are determined by: win / loss, head to head, runs allowed, misconduct (attributed to a player, coach, or fan), runs scored, run differential, rock, paper scissors.

Game ties in pool play are not played out, half a point to each team. In bracket play tied after time limit or completion of the game will begin International rule. Runner on second, no outs. The runner will be the last out from the previous inning.

Coin flip through pool play, high seed in bracket play, and coin flip in the championship game.

No metal cleats for 12U, 11U, 10U.
